

Douglas Meyenburg, Sr.

Our deepest sympathies go out to you, your spouses, brothers, sisters and your Dad's extended family and grandchildren. We will all miss your dad's presence at PERM functions. He was one of the earliest members and supporters of PERM and its "Save Minnesota" campaign. He joins several other departed heroes' who we must all remember to keep in our prayers.

Citizens have to be from a certain breed and have something special that calls them to stand up for what is right when our once great Republic allows non-profit tax exempt corporate and state-funded Human Rights groups, to immorally bully people and call them anti-Indian, anti-treaty and even racist for questioning unconstitutional and corrupt Federal Indian Policies. The fact is that Federal Indian Policy is race-based and therefore violates the anti-discrimination mandates of the fifth, fourteenth, and fifteenth amendments to the United States Constitution. The American Indian Movement runs on politicians taking the money and then immorally violating their oath of office while oppressing their fellow man.

Doug, we are all very proud to have known your Dad. Like all dedicated PERM members he stood tall and confident to the end, knowing that right will eventually prevail. He wasn't just a great father and grandfather to your family; he was also a great American Patriot.

Am sad to say I will be in the Bahamas the day of the funeral. Weather permitting, I will go fishing and meditate about all the good times your family had and how hard your father worked with PERM to help restore our Republic to its former greatness. Your family will be in my thoughts and prayers.
